2018 Registration Process

There are three ways to register: on-line (preferred), via mail, or in person during normal pool hours.

On-line Registration (Preferred)

Visit our website, www.norgwynpool.com, and click the member logon button in the upper right hand corner:

If you were a member last year, you already have a login; please log on with last year's login and password. If you do not remember your password, please select "Forget Your Password?" and a reminder email will be sent. If you do not remember your login, do not create a new one; your ID cards will no longer work. Please send a request to: registration@norgwynpool.com and we will provide your login.

If you were not a member last year, please select "Click Here to Register" and follow the instructions to create a member profile.

Previous and new members must complete registration by updating all profile information, (e.g.: birth date, file photos as needed), adding appropriate membership type to your cart, and process via a credit card. (Note: a small convenience charge will be added to all credit card registrations). Online registration is available only via credit card. A 5% Early-Pay Discount will be provided if registration is paid on or before April 15th.

By completing your registration, you are agreeing to abide by [Nor-Gwyn Pool's Rules](#) and the terms of our [Release and Waiver of Liability](#).

Mail-In Registration – Due May 14, 2018

Complete the application in full and send it with a check payable to the "Nor-Gwyn Pool Commission" for the appropriate amount and mail to the address at the head of this notice (prior to May 14th). Applications are available on the website or at the Upper Gwynedd and North Wales municipal buildings. Your online profile information will need to be validated at the pool at your first visit.

In Person Registration – During Normal Pool Hours

Patrons may register at the pool during regular operating hours and validate their online profile information. In-Person Registration will begin Saturday, May 26th, 2018.

ID Card and Profile Photo Policies

ID cards will be scanned each time you enter the pool complex. Patrons' profile photos will be displayed for membership verification. To expedite your first visit of the season, please check if your photo has already been uploaded to your registration account and if not, you can have another photo taken at the pool or you can submit a photo (head shot) at least one day in advance to registration@norgwynpool.com.

Submitting photos at least a day in advance will speed up first time visits to the pool. Replacement cards (lost cards) will be issued at a \$5 per card charge.
