The Commissioners, Managers and Staff of the Nor-Gwyn Pool look forward to another great summer at the pool! We've been eagerly planning and preparing for Opening Day Saturday, May 25th, 2019. Below is some important information for the new season. See complete registration details for new and returning members at: [2019 Hours, Fees and Registration](#).

Rates and Fees

The cost for individual memberships at both the Full and Twilight levels are unchanged from last season as are the rates for seniors. There will be a slight increase for families of two or more.

Insurance and legal considerations now require us to include all children one year of age and older (as of May 15th) to be included as paying family members. Please see [2019 Hours, Fees and Registration](#) for additional registration details.

Registration for 2019

Please note that registration for new members may need to be capped again this year. New members are strongly encouraged to register early.

On-line registration (credit cards only):

Returning members: You will again receive registration documentation via email around March 15th. Please do NOT create a new profile if you have difficulty logging in, instead use the Forgot Password feature to access the registration system. Creating a duplicate profile will invalidate your card and cause delays at your first visit.

New members: Please visit our website, www.norgwynpool.com, and click the member logon button in the upper right-hand corner to begin the new member registration process.

In-person or mail-in registration: If you want to pay by check or in person, you may download the registration form from the website www.norgwynpool.com and mail it to us by May 14th, or bring it with you the first time you come in.

Important Reminders

ID Cards: Members will be using the same bar-coded ID cards from last season. It is imperative you remember your ID cards for each visit – we cannot make exceptions! Lost cards may be replaced for a \$5 fee. Access to the pool without your card is subject to a \$2 per family service charge.

All patrons must have a photo on file. If you do not have one from last year (or it needs to be updated), please email a photo at least one day in advance of your first visit to registration@norgwynpool.com

July 4th: Due to expected high attendance, guest passes will be limited to ONE GUEST PER MEMBERSHIP.

Glass: DO NOT BRING GLASS CONTAINERS TO THE POOL. We reserve the right to inspect all bags coming into the facility. The most commonly found prohibited items are drink bottles and baby food jars – keep 'em home!

Swim Lessons

University of Swimming will again manage and run our lesson program. You can contract directly with them for a high-quality swim lesson experience. Check them out at uswim1.com or see the [2019 USwim1 Program Info](#) flyer for additional details.

We look forward to seeing you at the pool this season. Thank you for your continued support and patronage.
