The Commissioners, Managers and Staff of the Nor-Gwyn Pool look forward to another great summer at the pool beginning on Opening Day Saturday, May 23rd, 2020. Highlighted below is some new and important information for 2020. See complete registration details at: [2020 Hours, Fees and Registration](#).

Registration for 2020 - IMPORTANT – Pool registration has changed!

Beginning this year, the registration process will be different. There will be two registration periods and three ways to register:

March 1 – March 31 – Registration period for returning members only (those with memberships within the last three years)

April 1 – Until we reach capacity – General Registration for new and returning members.

1) On-line Registration (credit cards only):

Returning members: You will receive registration documentation via email around March 1st. Please do NOT create a new profile if you have difficulty logging in, instead use the Forgot Password feature to access the registration system. Creating a duplicate profile will invalidate your ID card and cause delays at your first visit.

New members: (if you have not been a member in the past 3 years) Please visit our website, www.norgwynpool.com, during the general registration period and click the member logon button in the upper right-hand corner to begin the new member registration process.

2) Mail-in Registration: If you want to pay by check, you may download the registration form from the website www.norgwynpool.com. New and returning members are subject to the same capacity limits and registration availability dates as on-line registration.

3) In-Person Registration: If there are membership slots remaining by opening day (May 23rd), registration can be done in person at the front booth. Please note: **membership slots may be closed before opening day.**

During the general registration period both new and returning memberships will be awarded on a first-come, first-served basis. Registration for all will close when the pool's capacity is reached. New and returning members are encouraged to register promptly; available membership slots are likely to be filled earlier than ever, possibly even prior to May 1st.

*******Once registration is closed you will NOT be able to add additional members to your family membership*******

Important Reminders

ID Cards: Members will be using the same bar-coded ID cards from last season. It is imperative you remember your ID cards for each visit – we cannot make exceptions! Lost cards may be replaced for a \$5 fee. Access to the pool without your card is subject to a \$2 per family service charge.

All patrons must have a photo on file. If you do not have one from last year (or it needs to be updated), please email a photo at least one day in advance of your first visit to registration@norgwynpool.com

July 4th: Due to expected high attendance, guest passes will be limited to ONE GUEST PER FAMILY MEMBERSHIP.

Glass: DO NOT BRING GLASS CONTAINERS TO THE POOL. We reserve the right to inspect all bags coming into the facility. The most found prohibited items are drink bottles and baby food jars – please keep 'em home!

Swim Lessons

University of Swimming will again manage and run our lesson program. You can contract directly with them for a high-quality swim lesson experience. Check them out at uswim1.com or see the [2020 USwim1 Program Info](#) flyer for additional details.

We look forward to seeing you at the pool this season. Thank you for your continued support and patronage.
